GETTING MARRIED ON ST. LUCIA

St. Lucia is one of the top destinations worldwide among honeymooners. Surrounded by scenic landscapes and secluded beaches, its atmosphere of tropical romance offers every bride and groom an endless adventure full of special places to celebrate their love.

What's more, you can begin your honeymoon by getting married right here on St. Lucia...with everything taken care of by Oasis Marigot's Vacation and Wedding Experts.

You can get married down on the beach or out on the sea, under a waterfall or on top of Pigeon Point. St. Lucia has something to offer everyone. Planning on inviting your family and friends? No problem! St. Lucia has hotels, villas, and resorts to fit every budget.

TIME FRAME FOR CIVIL WEDDING CEREMONY

St. Lucia has certain legal requirements for civil marriages between visitors. Both the bride and groom must spend at least two full days on the island (weekends are allowed as well as business days) before meeting with a legal authority - a Justice of the Peace or a lawyer.

After you meet with the lawyer, two to three business days (usually three days for a second marriage) are required for the completion of the legal documents. Simply put, if you land in St. Lucia on Saturday, you will be able to meet a lawyer on Monday or Tuesday, and your wedding ceremony could take place on Thursday.

REQUIRED INFORMATION AND DOCUMENTS

Visitors getting married on St. Lucia must provide all required information, including each partner's full address and occupation, as well as certain documents. These documents must be originals, not photocopies:

- Passports and/or birth certificates (divorced partners must provide both).

- The immigration form copy you receive upon entering St. Lucia.
- Divorced partners must present the original divorce papers which must show a proper seal or stamp, an official signature and must clearly state the decree absolute of the divorce. If the divorce papers are in a language other than English, a certified English translation must be obtained prior to arrival and this translation must be brought along in addition to the original divorce papers.
- Widowed partners must present their previous spouse's original death certificate.

3 GREAT OASIS MARIGOT LOCATIONS

Oasis Marigot currently has properties at three locations on St. Lucia:

Marigot Bay Marigot Bay might be best

described as a tropical fjord, ending in a pristine turquoise lagoon surrounded by palm trees and mangroves. The American author James A. Michener called Marigot, with its heavenly tranquility, "the most beautiful bay in the Caribbean." One visit and you're sure to agree, for all of St. Lucia's charms are miraculously concentrated here. For vacation lovers of all sorts, and especially for those who enjoy the best in water sports - swimming, sailing, snorkeling, diving, exploring - Marigot Bay is a true paradise on earth...and on sea. We offer a wide variety of accommodations and lodgings.

The Pitons This is the most dramatic site on the island. Located on the edge of a beautiful rain forest, our two exclusive villas overlook the unique Pitons - St. Lucia's national landmarks, and a UNESCO World Heritage Site. The bird life and tropical vegetation

are stunning. At the same time you're just five minutes away from a fine beach with excellent snorkeling and scuba facilities.

La Toc Beach If you're a beachgoer, there's an exciting Oasis Marigot villa waiting for you. The Butterfly Beach House is set among three lush acres along a crescent-shaped beach nearly half a mile long.
